

Parents and Friends Group AGM Report 2023

Our Parents and Friends Group at Christ the King School have had another wonderful start to the year. We welcomed many new faces to our first meeting at the beginning of term, with lots of new and old parents joining the team. We always welcome new additions, so if you couldn't make it to the first meeting, we would love if you could join us for the next.

2023 was filled with lots of events. From Donuts on Sports Day, Pizza and cupcake special food days, Dress up Days. Our Mothers and Father's Day events were again very well received and enjoyed by all. The school disco, which is a highlight of the children's school year! Our wine drive and quiz night which are always a favourite for the parents and finishing of the year with our Carols on the courts and children's Christmas Party.

We have tried to cover all aspects of a child's learning with our spending from literacy to fitness, music, and recreation. We hope each and every child benefits from the very generous donations from the CTK community.

We look forward to another successful year of fundraising and friend raising in 2024.
