

**Parents and Friends Group
Christ the King School Report
18 February 2025**

2024 was another wonderful year for our CTK community. We held lots of exciting events to fundraise and friendraise for our school. From casual/ dress up days, Sausage Sizzles, the Quiz night, Mother's and Father's Day stalls and afternoon teas, wine drives, our Quiz night and Colour Run to name a few.

We managed to raise a significant sum again thanks to our very generous families.

These funds went towards the painting of a new mural on the wall near the playground which is scheduled to begin in the coming weeks. A new BBQ and fry pans so we can easily cater for our community with allergies and dietary preferences. We contributed to the new projector in the hall and purchased items to transform our butterfly garden into a more usable area. It is the goal to better utilise this space at the front of the school over the coming year to hold classes, a place where our children can have some quiet time reading or a sensory/ breakout space for children to use. Emma Heindrich has some wonderful plans to achieve this and make this a fantastic space for our children.

Our Parents and Friends Group welcomed a few new faces to our first meeting at the beginning of term, but we always welcome new additions. If you couldn't make it to the first meeting, we would love if you could join us for the next.

We started the year planning our upcoming events for a fun and exciting 2025.

We have Donuts on Sports Day, Dress up days, a big Art Night community event to showcase our new mural and our talented young artists who will be creating their own masterpieces. Along with our yearly Easter Raffle, Mothers and Fathers Day events and school Disco to name a few.

We are looking forward to another successful year of fundraising and friend raising in 2025.
