FROM THE PRINCIPAL

Hello Friends

It's fantastic to see community in action with community members catching up in the mornings and afternoons, chatting in the courtyard and playground areas. To this end, I remind families, that if you can spare the time, our Café is open from 8.20am to 8.45am. Feel free to drop in for a coffee or tea.

Cross Country Carnival

Congratulations to those students in Years 3-6 who competed in the SACPSSA Cross Country Carnival last Thursday, 10 August. Our students performed valiantly and gave their best effort, displaying sportspersonship skills and respect. Children competed on a 2Km course in the parklands in the city. Well done to all. Thanks to our volunteers who donated their time to help on the day.

CTK Quiz Night

On Saturday 12 August, our amazing Parents and Friends group hosted the 2023 CTK School Quiz Night. 11 tables answered questions on various topics and competed in a Scavenger hunt, took part in raffles and played games, all in the name of raising money for our school. My thanks to our P and F Group, our parents and community members for their support of the night, all our community members who purchased raffle tickets and everyone for coming to the event. My thanks and appreciation.

Congratulations to our Raffle prize winners on the night:

- Mia Earl
- Shayne Dryden
- Jess Harris
- Anne Marie Hall

Safety Concern

I am concerned about the number of incidences I have seen where students are getting in and out of cars stopped in the middle of Jeffrey Ave and Walkley Tce. This practice is dangerous for a number of reasons including:

- Children need to walk into the middle of the road to enter/exit the vehicles
- Vehicles are illegally stopped
- Traffic becomes congested around our school at peak times
- Motorists' frustrations are increased

I remind community members that this practice is a traffic offence and therefore liable to traffic infringements and fines.

“Wherever you go, no matter what the weather, always bring your own sunshine.”

Thanks and blessings

APRIM NEWS

Thousands of people around the world play sport every week.

How many Christians don't just play sport but actually see that the sport they follow and faith are integrated? Not separate areas - "I go to church on Sunday and play sport during the week" - but integrated - "I play sport as part of a whole life view of worship".

To see how someone can move from being a Christian who plays sport to being a Christian in sport let's see what the Bible says about sport.

It may be a surprise to you, but sport is part of God's good gift of creation. Sure, human beings are the ones who invented sports, but where does our playfulness come from? The creativity, the desire for human relationship, and the instinctive desire to play that all people, of all ages, across all cultures have, are all part of what it means to be made in the image of God (Genesis 1:27).

God is the Creator and so being made in God's image makes us creative with the talents to strike a ball, take a shot, or swim quickly. Equally God is a relational God, Father, Son and Holy Spirit, and so our desire to play with others pushing them on in competition comes from God. Sport is not some area outside of God's good creation, it is an integral part of it, a gift to be enjoyed to his glory.

Inspired by Christiansinsport.org.

In that light the joy that sport brings us is in direct connection with God!

SACRAMENTS- Reconciliation

All students in Year 4 have received an enrolment form to begin their preparation for the sacrament of Reconciliation (it used to be called Confession). This is the first step in preparing for the Sacraments of Confirmation and First Holy Communion in 2024.

Please consider enrolling your child for their preparation, spare forms can be collected from myself or emailed home-tpascoe@christking.catholic.edu.au

THURSDAY PRAYER SERVICE

We will gather as a school community on Thursday 24th. This special prayer event during Book Week is to honour the GREATEST BOOK ever written- The Bible. Everyone is invited to join us.

BOOKWEEK PARADE

21st AUGUST 9am

Over the term families have received a Book Week hints and info pages. The day of the parade is within easy reach. It is open to all visitors and we encourage siblings to come along dressed and excited about being part of the parade. A page giving the week's timetable is coming home Wednesday 16th.

Parade Useful hints:

- A change of shoes if coming in slippers, footy boots etc.
- A warm hoodie, cardigan if your costume has short sleeves, thin material.
- Name EVERYTHING . Accessories used as part of a costume- sword, skateboard, fishing rod etc. will stay in the classrooms at recess and lunch. Having accessories in a named plastic bag saves the confusion over footballs, wands etc. at the end of the day

During the week there will also be other activities to enjoy and promote reading. The week will finish with a beanie and scarf day to celebrate our favourite book so far of the books up for the CBCA Award- 'Frank's red Hat'.

Year 3 - Ms Knagge

In Year 3, we have commenced some great learning. In Maths, we have been focusing on measurement and using different tools to measure the length, mass and capacity of an object. Whilst investigating length, we have measured around the classroom, the school and even completed a scavenger hunt comparing the different heights of the Matilda's players. Go Matildas!

During STEM, our Year 3 class made a Marble Maze only using paper plates, straws and popsticks. The students did a fantastic job and used their critical and creative thinking to complete this task. We are excited for the remainder of the term and all the exciting learning that is still to come!
